

Daily 8 a.m. - 8 p.m.

We are at our partners' disposal every day between 8.00 a.m. and 8.00 p.m. and are happy to answer all questions regarding the data base/data collection and patient inclusions, carry out randomizations and help you with any problems you might have.

In 'emergencies', for example deadlines before congresses, urgent presentations etc., we also – upon request – offer our 'overnight service'.

Excellent study results thanks to exceptional commitment and close cooperation!
